**V** - Carries the V gene for resistance to Verticillium wilt caused by *Verticillium dahliae* race 1.

**F** - Carries the F gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 1.

**Ff** - Carries the F and f gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 2.

**Rf** - Carries the Rf gene for resistance to *Fusarium oxysporum* fsp. *lycopersici* race 3.

**N** - Carries the N gene for resistance to root knot nematode caused by *Meloidogyne incognita*.

**P** - Carries the P gene for resistance to bacterial speck caused by *Pseudomonas syringae* pv. *tomato* race 0.

**V** - Carries the V gene for resistance to Verticillium wilt caused by *Verticillium dahliae* race 1.

**F** - Carries the F gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 1.

**Ff** - Carries the F and f gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 2.

**Rf** - Carries the Rf gene for resistance to *Fusarium oxysporum* fsp. *lycopersici* race 3.

**N** - Carries the N gene for resistance to root knot nematode caused by *Meloidogyne incognita*.

**P** - Carries the P gene for resistance to bacterial speck caused by *Pseudomonas syringae* pv. *tomato* race 0.

**F** - Carries the F gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 1.

**Ff** - Carries the F and f gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 2.

**Rf** - Carries the Rf gene for resistance to *Fusarium oxysporum* fsp. *lycopersici* race 3.

**N** - Carries the N gene for resistance to root knot nematode caused by *Meloidogyne incognita*.

**P** - Carries the P gene for resistance to bacterial speck caused by *Pseudomonas syringae* pv. *tomato* race 0.

**F** - Carries the F gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 1.

**Ff** - Carries the F and f gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 2.

**Rf** - Carries the Rf gene for resistance to *Fusarium oxysporum* fsp. *lycopersici* race 3.

**N** - Carries the N gene for resistance to root knot nematode caused by *Meloidogyne incognita*.

**P** - Carries the P gene for resistance to bacterial speck caused by *Pseudomonas syringae* pv. *tomato* race 0.

**F** - Carries the F gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 1.

**Ff** - Carries the F and f gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 2.

**Rf** - Carries the Rf gene for resistance to *Fusarium oxysporum* fsp. *lycopersici* race 3.

**N** - Carries the N gene for resistance to root knot nematode caused by *Meloidogyne incognita*.

**P** - Carries the P gene for resistance to bacterial speck caused by *Pseudomonas syringae* pv. *tomato* race 0.

**F** - Carries the F gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 1.

**Ff** - Carries the F and f gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 2.

**Rf** - Carries the Rf gene for resistance to *Fusarium oxysporum* fsp. *lycopersici* race 3.

**N** - Carries the N gene for resistance to root knot nematode caused by *Meloidogyne incognita*.

**P** - Carries the P gene for resistance to bacterial speck caused by *Pseudomonas syringae* pv. *tomato* race 0.

**F** - Carries the F gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 1.

**Ff** - Carries the F and f gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 2.

**Rf** - Carries the Rf gene for resistance to *Fusarium oxysporum* fsp. *lycopersici* race 3.

**N** - Carries the N gene for resistance to root knot nematode caused by *Meloidogyne incognita*.

**P** - Carries the P gene for resistance to bacterial speck caused by *Pseudomonas syringae* pv. *tomato* race 0.

**F** - Carries the F gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 1.

**Ff** - Carries the F and f gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 2.

**Rf** - Carries the Rf gene for resistance to *Fusarium oxysporum* fsp. *lycopersici* race 3.

**N** - Carries the N gene for resistance to root knot nematode caused by *Meloidogyne incognita*.

**P** - Carries the P gene for resistance to bacterial speck caused by *Pseudomonas syringae* pv. *tomato* race 0.

**F** - Carries the F gene for resistance to Fusarium wilt caused by *Fusarium oxysporum* fsp. *lycopersici* race 1.
